A Note from Principal Ben Ostrom

MLK day reminds me every year that for some of us the struggle against racism is a conscious choice, and for others it is a daily reality. Recommitting each day to education as force for equity reenergizes our love and investment in community. As I face hundreds of decisions each day, I often use whether a particular action moves us closer to educational justice as a barometer. We are working hard and yet have a long ways to go to provide instruction and services that equitably serves the needs of students who receive Special Education or ELL services, and African American students at STEM K-8. As participants in Monday’s annual MLK march may have experienced; it’s a journey from which we can and must draw on the strengths and spirit of a diverse community.

The snow day from 1/15 will be made up on the day between semesters, Wednesday, 1/29. In the end one Wednesday early release day was exchanged for another.

Hopefully most of you who attended last week’s Winter PBL Open House got a taste of the PBL experiences our students are experiencing across grade levels. Extended inquiry and revision, student choice, engagement, and tangible outcomes are important components of PBL that were visible at different development stages. Projects ranged from Kindergarteners analyzing habitats needed by stuffies, first graders exploring how to be friends, second graders examining what affects erosion, and third graders looking at the functions of wetlands to fourth graders exploring the diverse roles of salmon, fifth graders examining roles in colonial Boston, sixth graders analyzing elements of and building Ancient Sumerian cities, seventh and eighth graders designing businesses and operating markets, seventh graders testing Newton’s Laws of Physics through skate board design, crashes and data analysis, and eighth graders construction of WA state tectonic models. Thanks STEM Staff, PTA, and families for supporting Project Based Learning!

Sincerely,

Ben Ostrom, Principal

STEM K-8
Upcoming School Tours & Open Houses:

Elementary Tours:
January 24
January 28 & 31
February 7
9:00am-10:30am
Meet in Staff Lounge

Middle School Tours:
January 28 & 31
10:15-11:45am

We need help! Please email tours@stemk8pta.org if you are able to assist on any or all of the above days!

Open House – Elementary
January 23
6:00-7:30pm

Open House – Middle School
January 30
6:00-7:00pm

Check out the school calendar here.

STEM TOURS & OPEN HOUSES are happening this month and next! (See full list of dates in side bar.)

If you are able to help and give a tour, please email tours@stemk8pta.org. If you have any questions you can also contact Chris Southam at chrisdavio@gmail.com! Thank you!

STEM Black Lives Matter Attire can be purchased here:

https://www.cafepress.com/stemspiritwear
Congratulations to STEM 7th grader and artist extraordinaire Danna Martinez!

Danna’s designs won two contests last fall for STEM projects, including redesigns of our All in For STEM logo and Ultimate Frisbee logo. Danna’s art work also appeared on last year’s yearbook.

Keep up the amazing art work Danna!
ATTENTION: Ribbon and yarn needed! Donation box in the office if you can help!

FIRST ANNUAL
HAMMERING OWL
ART EXTRAVAGANZA

STUDENT ART SHOW AND RAFFLE FUNDRAISER
THURSDAY, FEBRUARY 6TH 6-8:30 PM
LOUISA BOREN STEM K8

Every year, each STEM student contributes to a collaborative art piece in their classroom. In the past, these pieces were auctioned off at the STEM auction, but this year the entire community is invited to the Hammering Owl Art Extravaganza to walk the STEM Gallery!

- Join us for this free, kid-friendly community event. Participate in art activities, enjoy refreshments, and visit the STEM art store where items based on the classroom art pieces can be purchased for nominal fees.

- All students in attendance will go home with a piece of art.

- The original classroom art pieces will be raffled off. Tickets will be available at $10 a ticket and discount bundles will be available.

- Community members can donate back tickets for other community members to raffle.

- Come in your fanciest dress, or wear your jeans - sparkle is welcome, jeans are too.

- ALL are welcome for this relaxing, lovely event celebrating our students, our community, and the arts - come enjoy the Art Extravaganza, we are turning STEM into an art gallery for one night only, so don’t miss it!

- Want to get involved? VOLUNTEERS NEEDED! Contact art@stemk8pta.org
RESCHEDULED FOR TONIGHT: Friends of a New Playground Committee Meeting

January 21st, 7:00PM-8:00PM  
Ounces: 3809 Delridge Way SW, Seattle, WA 98106

Join Friends of a New Playground Committee for the second meeting, where we will decide on the scope of our school’s playground expansion project. Tuesday, January 14th, at Ounces, from 7:00-8:00. Please pass on information to interested neighbors or businesses. If you can’t join our committee but can help at a different level, please take a minute to fill out the linked survey. This information will help the committee in writing grants to help fund our project.

Additional questions? Contact Adrienne Ollerenshaw: amollerensha@seattleschools.org

Seattle Special Education PTSA invites you to the following event:

Understanding Special Education presentation by Scott Raub, Special Education Parent and Community Liaison from the Office of Superintendent of Public Instruction (OSPI)

February 1st 2-4pm
At the Columbia Branch Library

Topics will include:
What Is Special Education?
How Special Education Works
Laws and Procedures
Parent and Student Rights (Procedural Safeguards)
Q&As

Attendance does not require SSEPTSA membership. Child care will not be provided but children are always welcome.
Dear Students and Families,

Over the past several months there have been reports of hate speech used at our school. We in the PTA Advocacy Committee are concerned and want our school to be a safe place free of hate speech. We would like to hear from students and families about their experiences with hate speech at STEM. If you or your student has heard hate speech used against them or others, or seen things written at school, please fill out this 100% anonymous survey. No information other than you what you write is recorded. Paper copies will also go home with kids. Thank you so much for your time. English Version

En los últimos meses ha habido informes de discurso de odio utilizado en nuestra escuela. En el Advocacy Committee de la PTA estamos preocupados y queremos que nuestra escuela sea un lugar seguro y libre de expresiones de odio. Nos gustaría saber de estudiantes y familias sobre sus experiencias con el discurso de odio en STEM. Si usted o su estudiante han escuchado un discurso de odio usado contra ellos u otros, o han visto cosas escritas en la escuela, por favor llenen esta encuesta que es 100% anónima. Solamente lo que usted escribe sea registrada. Las copias en papel también irán a casa con los niños. Muchísimas gracias por su tiempo. Versión en español

Alicia Every, PTA Advocacy Committee Chair

STEM is selling SCRIP cards for PCC!

Order a PCC scrip card through STEM K-8 PTA, and our school receives 5% of the purchase price of everything you buy!

Fill out the form online and pay directly via PayPal, the PTA will contact you for delivery. Once you have your card you can refill it automatically.

Saturday Morning Cartoons Auction!
In support of Louisa Boren STEM K-8 PTA
Saturday, March 28th / 5:30pm-11:00pm
The Hall at Fauntleroy

Hey, Boo Boo! Why does STEM have an Auction?
The auction is one of our major fundraising events of the year and supports the PTA budget. Our hope is that guests (adults 21+ only) feel inspired to donate at the event in support of the STEM community. We depend on the countless hours of volunteer time to pull the event off and on the community at large to donate thousands of dollars in items & sponsorships to the auction itself.

What do you SCOOBY DOOBY DOO at the Auction?
Our auctions are themed! Costumes welcome or come as you are; this year come in your PJ’s ready to watch cartoons or as your favorite cartoon character. The first half is the silent auction with hundreds of items to bid on, games, a photo booth & time to mingle. When the last silent table closes, we move to dinner, more games, and an auctioneer will run a live auction with larger packages, experiences & items.

At our past auctions we’ve used the live auction to sell classroom art. The auction made the art inaccessible to our whole community, including the students. We’ve switched things by moving the art out of the auction and adding a community event February 8th - ART Extravaganza!
The live auction this year will highlight local artists, include a trip to Mexico, larger themed baskets, and packages that include tickets to local events and opportunities for year-round experiences.

**Tickets – Paper tickets OR online! BEEP! BEEP! RSVP by March 1!**

**SPONSORSHIP / IN-KIND DONOR OPPORTUNITIES**
Sponsorship is another great way to support the auction. Levels from $250 to $2,500 and include a variety of benefits. Contact auction@k8stempta.org for information go online.

**DONATIONS**
We count on the generosity of our community for gift cards and donations of any new items for us to use at the auction. If you have something to give, you can enter it online. An auction volunteer can arrange pick up or you can drop it off at STEM K-8 during school hours.
https://louisaborenstemk8.schoolauction.net/cartoons/donate_items/new

**VOLUNTEER OPPORTUNITIES**
We couldn’t pull this off without volunteers! Please contact Robin: auction@k8stempta.org if you can’t make it to an auction meeting and still want to volunteer!

Upcoming Auction Committee meetings are: 7-8 pm at Mod Pizza (4755 Fauntleroy Way) on: Jan 13, Jan 29, Feb 26, March 11 & March 18.

We need 23 donated desserts. Purchased desserts are welcome. Each dessert must serve 10. To donate a dessert, send an email to auction@k8stempta.org
TICKETS ONLINE! RSVP DUE BY March 1!

Don't want to buy Tickets online? RETURN THIS FORM!

Ticket (single) $75: ______
Ticket (couple) $150: ______
Buy a Table (10 seats – choice of table guests) $700: ______

TH-TH-TH-TH-THAT’S ALL FOLKS!
STEM K-8 Updated Facebook Guidelines:

Purpose of FB page (or group): The purpose of our Facebook page is to provide an online community for parents and families at Louisa Boren STEM K-8.

Goal: Our goal is to share information and tips, update the community on events and programs, and showcase the achievements of students, teachers, parents, and other community members.

Community Rules

- We encourage you to ask questions and share information. We request that you keep discussions focused directly concerning our school community.
- We encourage posts that highlight our community’s accomplishments and constructively raise issues for discussion.
- When posting, please use appropriate language. Children can see our page.
- If you choose, you can post photos of your children at school events. Do not post photos of other children. If you have any questions about posting a particular photo, please check with the Facebook page administrator. If you wish to have a photo taken down, please contact the Facebook page administrator.
- Do not engage in cyberbullying of any kind, including insulting, targeting, or excluding any individuals, including but not limited to school board officials, school administrators, teachers, PTAs members, students, parents, or other individuals affiliated with or connected to the school. We may delete posts that put down or discriminate against individuals.
- Any inflammatory statements that make allegations against individuals or organizations may be deleted.
- Commenting may be turned off on posts at the discretion of the FB page administrators.
- Online threats will be taken seriously, and proper authorities will be immediately notified.
- Do not post confidential information, such as student grades, disciplinary proceedings, health conditions, personal family matters, or anything else that would generally be considered personal or private.
- Keep in mind what you post is public information.
- Any advertising for businesses without prior FB page administration approval is not allowed.
- Do not publish content as your own that has been created by others.

The PTA board and PTA Facebook administrators reserve the right to delete comments and block users who are not following the rules stated above.
Ms. Morgan and her family have arrived in Taukhel, Nepal!

Check out the link below to learn about what she has been up to in Nepal and see more pictures.

Attention 8th Graders & Families! The following few pages has information on upcoming High School Application period, Open House Events & Tours:

**RAHS:**

Raisbeck Aviation High School is an innovative math and science focused college-preparatory high school serving students who are passionate about aviation, flight, aerospace, and space science. We are a tuition-free public high school, open to students throughout the greater Puget Sound region.

Our mission is to prepare all students for college, career and citizenship through a personalized, rigorous and relevant learning experience that is facilitated in the context of aviation and aerospace.

Learn more about Raisbeck Aviation High School at [https://rahs.highlineschools.org/](https://rahs.highlineschools.org/)

Information about applications and admissions is at [https://rahs.highlineschools.org/admissions](https://rahs.highlineschools.org/admissions)

The application period for the Raisbeck Aviation High School (RAHS) runs through the entire month of January. For more information, please reach out to:

Jacob Savishinsky  
(He, Him, His)  
MAEd, NBCT  
Dean of Students  
Raisbeck Aviation High School  
206-631-7200, Ext. 7202  
Jacob.Savishinsky@highlineschools.org

**Nova High School:**

Open house at Nova High School | January 23 from 6-7:30PM

Please come visit us!! We would like to share more information about our Competency Based Program! Students will be available to talk with you about their experience choosing a high school; why some students started at a Traditional High School, then realized Nova was a better fit for them! Other students want to share how they came directly to Nova from Middle School for a myriad of reasons. Teachers will also be here to answer questions and clarify more about how our program works for various student needs. We want to insure all counselors have the best information about our program to assist in leading students to success in high school (and beyond) at whatever program best fits their needs.

*We hope you can attend!*

Karen Podbela  
Administrative Secretary  
Nova High School  
Alternative Public School  
206-252-3500 p
The Center School:

The Center School (public high school) has two more Open Houses for prospective high school students/families!

The Center School will have its next Open Houses for prospective students/families on Thursdays, January 23rd and February 13th, 6:30-8:30 pm, check-in opens 6pm. We are located in the Armory Building on the Seattle Center campus at 305 Harrison St. - Armory Loft, (3rd floor overlooking the food court). We want students and their families to know about The Center School and what it offers that sets it apart from other high schools. The Center School is a small, arts-focused, arts-integrated high school available to students from any neighborhood. If you can't make it, contact the office at 206-252-9850 to schedule something during the school day. Please use the attached parking pass for the Memorial Stadium parking lot for the January Open House.

Or email tlott@seattleschools.org or kawebb@seattleschools.org to request an Open House parking pass.

We look forward to meeting you!
Cleveland High School:

Attention rising 8th graders and families to come to one of Cleveland’s open houses. The Open Enrollment period for school choice is 2/3- 2/14 and a school choice form will need to be turned in. Here is a link to our website for more information and to RSVP.

- **New Student Open House**: January 16th from 7-8:30pm

Roosevelt High School
- **Open House**: February 6th from 7-8pm

West Seattle
- **Day Tours-**: January 16th from 9-11am
Exciting news: registration for Girls on the Run (GOTR) is now open!

Girls on the Run is an after-school program for 3rd-6th grade students who identify as girls (exact grade levels TBD). Practice will be on Mondays and Wednesdays from 3:30-5pm March 2nd-May 13th ending in a 5K run on May 17th. The price is sliding scale- pay what you can! For more information about the program/to register go to the link below or ask your school counselor Danielle Blechert at dnblechert@seattleschools.org

https://www.gotrpugetsound.org/program-registration

Program-Registration | GOTR Puget Sound
REGISTERING YOUR GIRL. Registration for the spring season opens in January and the season begins in March! Our elementary school program (Girls on the Run) is open to all 3rd - 5th grade girls.
www.gotrpugetsound.org

Looking forward to a great season!

dnblechert@seattleschools.org
School Counselor
206-252-8465

READY...SET...COACH!

Girls on the Run empowers girls to reach their full potential. Through an intentional curriculum led by volunteer coaches, our girls learn about self-esteem, healthy relationships, and contributing to their community! Coaches lead practices twice a week for ten weeks and receive a full training before the season begins. Coach applications due January 17th, 2020.

FAQ’s
When is the program and how long are practices?
The Girls on the Run season runs from March until May. The girls practice twice a week for an hour and a half at schools across King County. As a coach, this means between 5-6 hours per week, including pre-practice, practice time, and time for communication with parents and GOTR staff.

Do coaches have to be runners?
Not at all! No one is turned away from the run for anyone looking to inspire our girls to be healthier, more confident, and empowered. This is much more than a running program.

Find out more at: www.girlsrun.org or by emailing info@girlsrun.org
Please see below for opportunities from Coyote Central for weekends and upcoming holiday breaks:

The first issue of the STEM GAZETTE is HERE! Featuring an article about Schuyler Bailar.

Visit the STEM website HERE to read the entire publication. Great work 7th and 8th grade students!

Date: December 18

**STEM Gazette**

2019 Issue #1

**How Social Media Affects Teens**

The average American spends at least 30 minutes or up to 8 hours. Some exceed this rate due to the flexibility of the parents, and some are in between it due to very strict parents or parents that have limits to how long you use a screen....

**Schuyler Bailar**

Schuyler Bailar is an American swimmer, and the first openly transgender NCAA Division 1 swimmer. He is the first publicly documented NCAA D1 transgender man to compete as a man in any sport. He was recruited by Harvard and swam with Harvard's Men's Swimming and Diving team under coach Kevin Tyrrell....

**Pros and Cons of Car Fuels**

Petrol cars have the capacity to rev incredibly high (I think 9500 rpm is the highest), but they all have one thing in common; possibly high emissions....
