Message from Principal Ostrom:

Louisa Boren STEM K-8 Families,

Things are going to be busy on the planning front for the next month. Guidance is starting to emerge that will support planning for the targeted date of March 1 to return to in-person learning for Pre K – 1st graders. Roughly 50% of families stated an interest to returning to school if it is able to reopen.

At the same time, we are beginning to grapple with budget planning for the 2021-22 school year. The school board has already begun initial deliberations regarding how to address significant projected resource shortfalls. One decision that seems likely is increasing the funded class size across the district for 4-12th graders by one student. Another item being discussed that would have giant implications for STEM K-8 and other options schools is cutting transportation at option schools. Such an action would obviously have a huge impact on STEM K-8 and other Option school families. As details of that possibility emerge, I will share them along with opportunities for input.

We are in the midst of a strange remote enrollment season. Families that want to choose an option school need to fill out choice form between Feb. 1-12th. For students currently attending STEM you don’t need to fill one out; however, if you have a new sibling that you are trying to register at our school turn in an online choice form available at seattleschools.org between Feb. 1st and 12th for their enrollment to be guaranteed. If you know other families looking for school, you can share our remaining enrollment outreach activities (also available at STEMK8PTA.org). The listings below are live links that can be forwarded for STEM K-8 online enrollment events.

- **Jan 28: 9:00am - 10:00. STEM K-8. Middle School Tour**
- **Jan 28: 6:00pm-7:00 STEM K-8. Elementary Open House (Includes Teachers)**
- **Feb 4: 6:00pm-7:00 STEM K-8. Middle School Open House (Includes Teachers)**

Don’t forget this Thursday, January 28th is the day between semesters and there is no school for students or teachers!

Stay healthy, brilliant, and sane,

Ben Ostrom
STEM K-8 Principal
Virtual STEM tours before open enrollment period (Feb 1-12). Please let any families you know who are interested.

Microsoft Teams meeting

Join on your computer or mobile app.

SPS Open Enrollment timeline:

- Online registration for new students for 2021-22 school year begins: Jan. 4, 2021
- Open Enrollment for School Choice: Feb. 1 - 12, 2021
- Open Enrollment results available online in April
- School Choice Window Closes: May 31, 2020
"Hi STEM families! We are collaborating with the Delridge Co-op and they have generously offered 4 spots for free weekly produce boxes with fresh fruits and veggies. Pick-up would be every Saturday. If this is something that would benefit your family- please tell your teacher or school counselor, Danielle at dblechert@seattleschools.org. Thanks!"

Danielle Blechert (she/her/hers)
School Counselor, STEM K-8

Hi there, LGBTQ+ Families Dinner Families and Friends!

We wanted to send some love your way along with an event update! This year has been tough for many reasons and that toughness has been punctuated by our inability to convene for our beloved LGBTQ+ Families Dinner event. Know that we miss you all and that we are still dedicated to holding virtual space for our families! With this in mind, we share our new plan with you!

We invite you to our…

LGBTQ+ Families Dinner Series!

This LGBTQ+ Families Dinner Series is a virtual opportunity for people to connect across shared identities and experiences. Each event in the series is specifically intended for the group highlighted by the event. If you belong to more than one group, you are of course welcome to come to each event that aligns with your experience.

Here are the events!

01/21 LGBTQ+ Families of SPS Students – specifically for LGBTQ+ Families of SPS Students
02/11 LGBTQ+ Students and their Families – specifically for LGBTQ+ Students and their Families
03/18 LGBTQ+ Elementary School Students and their Families – specifically for LGBTQ+ Elementary School Students and their Families
04/08 LGBTQ+ SPS Staff and their Families – specifically for LGBTQ+ SPS Staff

Agendas

2021 Events
5pm-6pm
5pm Welcome
5:10pm-5:50pm Facilitated Discussion
5:50pm Close Out

Brennon Ham is your host and contact for these events. Feel free to reach out to Brennon if you have any questions.
